SMALL'S RECOMMENDED ROSES

for

Spring and Summer Planting

We advise potted Roses for late spring and summer planting. Because their roots are well established in ten pounds of rich soil, they plant without shock, grow more vigorously, and bloom more freely than spring-planted dormant Roses. All potted Roses are 85 cts. each, unless otherwise noted. Dormant Roses available until about April 1, at 55 cts. each.

R. M. S. QUEEN MARY

We offer only No. 1, two-year-old, budded, field-grown Roses—the best that we can buy. They will come to your garden directly from our frames, fresh, vigorous, and ready for immediate active growth. Their future then is in your hands; care for them—they are worthy of it. A leaflet with full cultural directions accompanies every order.

SPECIES, BRIER, AND RARE ROSES

Some of the loveliest Roses are found in this group, the richest in color, most fragrant, and hardiest. As a consequence, they are being used in steadily increasing numbers by experienced gardeners. In response to this demand, we have provided in the Rose-gardens of our Chevy Chase Nursery an interesting collection of these rarer Roses, available to you at a price in some instances as low as \$1.00 each, potted in heavy tarpaper pots. A visit to our Nursery to see them will be well worth your while.

PATENTED ROSES

CLIMBERS

Blaze. Plant Patent No. 10. Exactly like Paul's Scarlet Climber, but in addition to producing great masses of vivid scarlet-red blooms in the spring there are occasional clusters of flowers throughout the growing season. Can be trained as a bush, large shrub, or climber. \$1.00 each.

Doubloons. Plant Patent No. 152. A stunning, new, perfectly hardy, yellow Climber, developed from our own Prairie Rose, *Rosa setigera*, which gives it a hardiness greater than any other yellow Climber. Very handsome. \$1.50 each.

New Dawn. Plant Patent No. 1. A very fine pink, practically everblooming Climber. Sport of the well-known Dr. W. Van Fleet and very much like it. \$1.50 each.

HYBRID TEAS

Amelia Earhart. Plant Patent No. 63. Very full flower with a deep yellow center and cream outer petals having a blush overtone; extremely fragrant. Strong grower and free bloomer. \$1.25 each.

Better Times. Plant Patent No. 23. Long crimson buds opening into large, double, brilliant cerise-red flowers on long stems, excellent for cutting. Free flowering. \$1.25 each.

Countess Vandal. Plant Patent No. 38. Long-pointed bud and a high-centered flower of coppery bronze, suffused with soft gold, developing new beauty at all periods of its long life. One of the best of the new Roses. \$1.00 each.

Gloaming. Plant Patent No. 137. Large fawn-orange buds, opening to flowers of a peculiar shade of pink, overlaid with salmon. Extra-strong branching habit. \$1.25 each.

R. M. S. Queen Mary. Plant Patent No. 249. A blending of rich glowing salmon and pink with an orange base. The whole effect is a lovely warm pink. Long-pointed buds and large, full flowers with a delicate perfume on plants of good strong habit. \$2.00 each.

Signora. Plant Patent No. 201. Long bud of warm burnt sienna opening to a lighter hue toward mandarin. Plant is tall growing, with each bloom on a long stem. Handsome foliage. A fine flower for cutting. \$1.50 each.

Texas Centennial. Plant Patent No. 162. A sport of President Herbert Hoover, and identical in every way with its parent except in color, which is vermilion-red when first opening, aging a rich deep pink. This is a fine Rose and will produce quantities of long-stemmed flowers for cutting. \$1.00 each.

White Briarcliff. Plant Patent No. 108. Well-shaped, pointed, white flowers with 40 petals having an apple-green tint in their depth. Plants are abundant and continuous bloomers. \$1.25 each.

PERENNIALS

In preparing a Perennial border you cannot overestimate the importance of thorough soil-preparation. Dig deeply, incorporate peat moss, manure, or some other source of humus, together with slow-acting fertilizers. Healthier plants and more abundant blooms will more than repay the extra trouble and expense. The Perennials listed below are but a few of those we carry. For quotations on plants other than those listed, inquire at the Gardens or phone North 7000.
